Avenida Collao 1202, Concepción

Assistant Professor
Coastal Oceanography Lab
Department of Physics
University of Bio-Bio

Education and training:

- > Postdoc Fellow, University of British Columbia**
- > Ph.D. Oregon State University**
- > MSc. University of Concepción**
- > BSc. Catholic University of Concepción**

Research Interests:

- > Coastal physical Oceanography**
- > Flow over topography**
- > Wind- and buoyancy-driven flows**
- > Physical-Biological coupling (a little)**
